

Aspen Heights
BRITISH SCHOOL

OUR EDUCATIONAL PHILOSOPHY

World Class Education

Encouraging students to strive for excellence in all that they do, giving them the very best springboard into a world that demands hard work, knowledge, resilience and compassion.

Eco-minded

Aiming to develop in students an acute awareness of environmental sustainability and global responsibility, in all aspects of learning, creating eco-minded citizens who become productive and responsible stewards of our world.

Internationalism

Celebrating the diversity of our students' nationalities, ensuring that they grow and achieve together, as independent learners and critical thinkers, and providing our students with exchange opportunities through our schools' partnerships across the globe.

Leadership

Aspiring to nurture children so that they become responsible leaders of the future, by facilitating hands-on, active learning, which inspires children to engage with one another and to reflect on global environmental issues.

WELCOME

I am incredibly proud to have the privilege and responsibility of being the founding Principal of Aspen Heights British School.

Our vision places the interest and needs of children at the centre of the learning process. The National Curriculum for England is the foundation for this.

Most of our teachers are native English speakers and deliver educational excellence to our students. Our passionate teachers work tirelessly to facilitate fun, engaging, relevant, memorable and highly effective learning experiences. We utilize the wonders of Abu Dhabi's locality and ecology to inspire learning, and to create a sense of responsibility for our local and global environment.

Our children learn a myriad of things: academic, cultural, physical and cultural. As a school community, it is our role to do everything that we can to create the right environment, and to provide opportunities which ensure that they make as much progress as possible, in these areas.

WHY OUR SCHOOL?

Aspen Heights British school provides a supportive and engaging international environment for your child, enabling them to flourish into highly skilled, resilient, eco-minded and caring global citizens of the future.

Your child will be inspired by our exciting and creative curriculum, and will enjoy many opportunities to explore our incredible locality through environmental themes.

Aspen Heights is a school where children thrive in all areas of learning, working collaboratively with their peers, and developing memories and friendships that will last a lifetime.

We have meticulously selected a team of highly qualified and inspirational teachers, who have exceptionally high standards and who genuinely care about the safety, well-being and learning of your children. The staff of Aspen Heights British School recognise the responsibility and the privilege of developing and supporting your child to be the best they can be. Our staff care. They will work incredibly hard to get to know your child's strengths; their hopes, dreams and aspirations, enabling them to facilitate a truly personalised education. This is such an exciting school with so much to offer your child.

You should contact our Admissions Manager on admissions@ahbs.ae to arrange an appointment that is convenient for you.

LEARNING AND TEACHING

At Aspen Heights British School, we believe that learning is maximised when children understand why they are learning a skill or concept, when it is adapted to meet the needs of our international community, and when the curriculum is taught through enquiry-based learning methodologies. The National Curriculum for England supports this. Within this, students direct their own learning through collaborative problem solving. This enables them to apply their skills and knowledge in a meaningful context, facilitating the development of essential critical thinking and communication skills. Such powerful learning empowers the children to take greater responsibility for the outcomes of a task, and facilitates positive group dynamics. In addition, it is fun-which makes all learning more effective!

OUR FACILITIES

We are privileged to have a wealth of world-class, brand-new facilities such as a gymnasium, cafeteria, design and technology rooms, libraries, music rooms, food technology room, art studios, shaded outdoor play areas, an outdoor seven-a-side football/netball pitch and a 25 metre swimming pool. ICT will be widely used to enhance learning and teaching across the curriculum. From the Foundation Stage, children will be exposed to a wide range of learning apps using iPads and tablet technology, augmented reality (AR) and control technology, such as remote control devices and drones.

Our eco-vision pervades everything that we do; we make sustainable choices for products and resources, and look forward to exciting partnerships with environmental organizations in future months.

HOW TO APPLY

1: SUBMIT YOUR APPLICATION

Register your parent account and complete your application on our website www.ahbs.ae/apply. You can contact our Head of Admissions with any questions on: admissions@ahbs.ae.

2: ADMISSIONS ASSESSMENT

Once we have reviewed your application, we will inform you whether you will be invited for an assessment. When we meet, you will have the opportunity to ask questions about the school.

INTERNATIONAL SCHOOLS PARTNERSHIP

Truly International: We are a truly international schools group working in different countries, different cultures and speaking different languages. Our schools work with each other and with other schools and communities.

All our schools:

- Help children and students learn to levels that amaze them.
- Inspire children and students to be successful now and equip them to be successful later.
- Are truly international, working in partnerships within and across regions, cultures and languages.
- Aim to be the schools of choice for children, students and their families, wherever we are.
