

Sunmarke School Announces Its Best Ever A Level and BTEC Exam Results

13th August 2020

DUBAI, United Arab Emirates - Sunmarke School has announced Outstanding A Level and BTEC examination results for the fourth year in a row.

In A Level Mathematics, a staggering 93% of students gained outstanding results (B+) with over 60% of the grades awarded at A*- A. Here, 75% of students exceeded their expectations.

Overall 48% of all grades were A*- A with 77% gaining at least a B grade which places the school into the Outstanding attainment category (KHDA). The overall pass rate for the academic year 2019-20 is 99%.

Other high attaining subjects included Business Studies and Physics with 85% of students awarded a top grade of A*- B.

Sunmarke's Top Performing Students 2019-20 include:

Top Performing Students	A*	A
Elias Berner	4	0
Mattia Lovine	3	0
Zhiyin Ying	2	2
Federico Membrillera De Simon	2	1
Dylan Bishop	2	1

With the continued success at A Level, and the excellent performance of its BTEC students, Principal Dr Neil Hopkin said, “We are so proud of our amazing students and staff, whose achievements are celebrated in these excellent results. At Sunmarke School we personalise our programme so that each student is perfectly positioned to achieve their very best possible outcomes. Sunmarke School now offers over 60 different courses across five career pathways for students aged 14 and above to cater to individual student goals. It remains one of the only schools in the UAE and the world to be able to offer the IB Diploma and IB Career-related Programme in Years 12 and 13, in addition to A Levels and BTECs.”

Commenting on this year’s results, Claire Young, Head of Sixth Form said, “We are so proud of each and every one of our students this year who have excelled despite the unprecedented situation they found themselves in. It also makes me so happy to see each of our pathways represented in our top 5 performers, really proving that all Sixth Form routes can lead to success and your first-choice university. Well Done Class of 2020!”

Jason King, Head of Secondary added, “We are delighted with the performance of all of our students, and wish our graduating students, many of whom are set to attend their 1st-choice universities, all the best in the next step of their educational journey.”

NOTE TO EDITORS

About Sunmarke School

Sunmarke is a British Curriculum and IB World School offering Nursery and EYFS to Year 13 provision. We are a leader in ‘Positive Education’ – where exceptional teaching is underpinned by the science of positive psychology and happiness, so children flourish learning skills for ‘academics & achievement’ and ‘character development & wellbeing’.

Year on year, Sunmarke School has achieved outstanding academic results at the GCSEs and A-Levels enabling our students to attend the world’s top universities.

About Fortes Education

Fortes Education is a leading education provider which has been active in the building, operation and management of outstanding schools and preschools for over two decades and has consistently delivered a world-class education to thousands of students in the UAE.

Fortes Education comprises Sunmarke School and Regent International School, both rated “Very Good” with outstanding features by KHDA, and Jumeirah International Nurseries, one of the leading nursery brands in Dubai.

Fortes Education’s vision is to be one of the leading school and early education providers in the region by building truly exceptional schools which inspire, empower and enlighten students, and enrich the communities that we are part of. The organisation is committed to inclusive education and making a high-quality education accessible to all, and works closely with the local government authorities to improve the standards of education in its communities.
