

Creative Enrichment Menu

Enrichment should ignite a child's passion for learning

Individual Enrichments		
Enrichment	Description	Resources
Magic x 2 With Mr Pascoe	In this Enrichment, students will learn simple card tricks to practice, perfect and perform to family members and friends.	Deck of Cards
Scrapbooking With Mr Thomas	In this Enrichment, students will create an online scrapbook in order to develop the skills of appreciation and reflection.	Computer, laptop or ipad
Portrait Drawing x 2 With Mr Roberts	In this Enrichment students will learn how to draw accurate portraits using a Face Canon guide to ensure the features of the face are in the correct place and accurately proportioned. We will reflect on our sketches to improve our final portrait.	Pencil and Plain paper
Vision board Creators With Mr Thomas	In this Enrichment students will build on their previous reflections and start contemplating their future. Students will create visual representations of the future goals.	Computer, laptop or ipad
Origami World x 2 With Mr Latham	In this Enrichment, students will learn how to create several animals using the ancient paper folding craft of Origami. They will also create a display or play world for their creations.	White A4 paper/card 10x coloured paper Gluestick & tape Cotton wool Colouring pen or pencils
Scavenger Hunt x2 With Mr Lowes	Children independently explore and discover different items in their house to complete a variety of scavenger hunts. Each scavenger hunt will have a different focus and may encourage students to consider things about themselves and others, as well as components of different objects whilst exploring the world around them. Students can document their findings with photos, verbally or in writing.	
Page To Stage x 2 With Mrs Roberts	In this Enrichment, students will be taught approaches enabling them to bring a script to life using acting technique and textual analysis.	

Street Dance x 2 With UDO	In this Enrichment, students will learn how to perform a Street Dance routine with expert street dance performers and instructors.	
Magic Paper With Mr Brown	Join Mr Brown for more mind-bending mysterious Science!	Paper, container of water
Scrapbooking With Mr Thomas	In this Enrichment, students will create an online scrapbook in order to develop the skills of appreciation and reflection.	Computer, laptop or ipad
