

To enter for this Award, please complete the following:

- (1) Please provide a comprehensive and passionate explanation of how the Art Department at your school excels in its provision for children. There is no limit on the number of words you can write. Your explanation should include both embedded and separate high resolution, captioned photographs and may include video. One paragraph or more should detail how Art and Fine Studio Work engages with broader subject disciplines in STEM.
- (2) Please provide 10 examples of work completed by different students, with an explanation of each and why they represented such an outstanding achievement and journey individually for each child. The examples can be drawn from the last four years, but three must have been completed in the period 2021-2023.
- (3) Please provide an inspirational quote from the Head of the Art faculty on the importance of Fine Art and Creative Studio Work in the education of children. Please provide a photograph of the Head of Art, a full bio and details of why they chose to dedicate their lives to the teaching of Art.
- (4) Provide a quote from the Principal on why STEAM is so important in your school.
- (5) As part of the following application, you will strengthen your case considerably by *sending the following survey links to your students, teachers and parents*, asking them to independently provide feedback on your school as part of your entry to the Top Schools Awards 2023-24.
